## WORLD ENVIRONMENT DAY – 2023

A FOCUS ON MEDICINAL PLANTS

Date: 09 June 2023

Place: Ramakrishna Mission, Shivanahalli, Bannerghatta,  
Bengaluru 560083

### Chief Guest:

Shri. Prabhakar Priyadarshi, IFS  
Deputy Conservator of Forests, Bannerghatta National Park

### Guest of Honour:

Shri Govardhan Singh  
Deputy Conservator of Forests, Karnataka Biodiversity Board  
Swami Vishnumayananda Ji  
Secretary, Ramakrishna Mission, Shivanahalli

### Presided by:

Shri. Sudarshan G A, IFS  
Principal Chief Conservator of Forests and Chief Executive Officer  
Karnataka State Medicinal Plants Authority

### Invited by:

Karnataka State Medicinal Plants Authority  
and  
Centre for Urban ecology, Biodiversity, Evolution and Climate change  
(CUBEC), JAIN (Deemed-to-be University)

### Co-ordinators:

Dr. G Ramachandra Rao  
Associate Professor,  
Centre for Urban Ecology, Biodiversity, Evolution, and Climate Change  
(CUBEC), JAIN (Deemed-to-be University)

Dr. Chetan Nag K S

Deputy Director and Associate Professor  
Centre for Urban Ecology, Biodiversity, Evolution, and Climate Change  
(CUBEC), JAIN (Deemed-to-be University)

### Organizing Committee:

Dr. M J Prabhu, KaMPA  
Mr. Santosh Sutar - Chief Executive Officer - VANALOK,  
Ms. Sarmistha Ojha, Ms. Shraddha Kumari K, Mr. Suraj Nagtilak, Ms.  
Bramhi Chougule, Mr. Amith S J, and Ms. Shalini Tudu- Ph.D. Scholars  
from CUBEC, JAIN (Deemed-to-be University)

### Program Schedule:

9.00 AM-9.30 AM	Registration
	Inauguration
	Welcome address
	Inauguration by Chief Guests
9.30 AM-10.30 AM	Inaugural Speech
	Address by guest
	Presidential Address
10.30 AM – 11.00 AM	Hi -Tea
11.00 AM – 11.30 PM	Western Ghat theme forest visit
11.30 PM – 01.30 PM	Nature trails walk to native forest
01.30 PM – 02.30 PM	Lunch
02.30 PM- 03.30 PM	Short presentation on plastic pollution and mitigation at household level
03.30 PM – 04.30 PM	Narration and sharing of nature conservation stories, games and activities
	Vote of thanks

## ***Goals And Objectives Of The Event***

---

Time is running out, and nature is in emergency mode. To keep global warming below 1.5°C this century, we must halve annual greenhouse gas emissions by 2030 and stop deforestation. Without action, exposure to air pollution beyond safe guidelines will increase by 50% within the decade and plastic waste flowing into aquatic ecosystems will nearly triple by 2040.

Mission LiFE is designed with the objective to mobilize at least one billion Indians and other global citizens to take individual and collective action for protecting and preserving the environment in the period 2022 to 2027

We need urgent action to address these pressing issues. Hence keeping these goals in mind, the following objectives were laid down during a one-day student environmental day program for increasing awareness in the student community.

- Nature trail for the students to see, feel and understand the vibes of pristine forest ecosystem and environment.
- Learn more about biodiversity in Nature and its component.
- Gaining more insights into environmental problems and solutions by participating in environment-related games and activities.
- Meet nature conversationalists and interact with them.

## Overview Of The Event

To celebrate World Environment Day a one-day student program for J.J. Public School, Halagur was organized by Karnataka State Medicinal Plants Authority in association with CUBEC - Centre for Urban Ecology, Biodiversity, Evolution, and Climate Change JAIN (Deemed-to-be-University) and Karnataka Biodiversity Board on 9th of June 2023 at Ramakrishna Mission, Shivanahalli, Bannerghatta, Bengaluru. Almost 50 students participated in the event. The event was graced by the presence of Shri. Prabhakar Priyadarshi, IFS Deputy Conservator of Forests, Bannerghatta National Park, Shri Govardhan Singh, IFS Deputy Conservator of Forests, Karnataka Biodiversity Board, and Swami Vishnumayananda Ji Secretary, Ramakrishna Mission, Shivanahalli. The coordinator of the event was Dr. G Ramachandra Rao Associate Professor and Dr. Chetan Nag K S Deputy Director and Associate Professor CUBEC, JAIN (Deemed-to-be University). The organizing committee included Dr. M J Prabhu KaMPA, Mr. Santosh Sutar - Chief Executive Officer - VANALOK, Ms. Sarmistha Ojha, Ms. Shraddha Kumari K, Mr. Suraj Nagtilak, Ms. Bramhi Chougule, Mr. Amith S J, and Ms. Shalini Tudu - Ph.D. Scholars from CUBEC, JAIN (Deemed-to-be University).

The one-day student program's objectives were to talk about and address the current environmental problem and come up with solutions to protect the environment in the future. The students were also provided with the opportunity of meeting a few nature conversationalists and interact with them for better realization.

The event began at 9:30 am with the inaugural ceremony, during which Dr. G. Ramachandra Rao, Associate Professor of CUBEC at JAIN (Deemed-to-be University), welcomed the guests and students. Next, Shri. Prabhakar Priyadarshi, IFS Deputy Conservator of Forests, Bannerghatta National Park, and Shri. Govardhan Singh, Deputy Conservator of Forests at the Karnataka Biodiversity Board shared their knowledge and ideas on world environment day and motivated the students to understand and protect the environment.

Shri. Prabhakar Priyadarshi, IFS in his speech highlighted the importance of India as a major country contributing to the world's biodiversity. He mentioned biodiversity hotspots and how diverse India is not only in flora and fauna but also in terrain. Whereas Shri. Govardhan Singh, IFS chose Kannada as a medium to talk to the students and mentioned how we are dependent on nature and it's not a vice versa case hence the role students play in conserving biodiversity is of great value. He also explained via a story how with bad sometimes even the good suffers.

The inaugural ceremony was concluded by Dr. Chetan Nag K. S., Deputy Director, and Associate Professor CUBEC, JAIN (Deemed-to-be University), with a vote of appreciation.

Followed by the inaugural ceremony the kids were taken on a nature trail that replicated the Western Ghats to observe, experience, and comprehend the vibes of the pristine forest ecosystem and surroundings and to learn more about biodiversity in nature and its components. The therapeutic properties of numerous plants and trees were taught to the students by Dr. G Ramachandra Rao, Dr. M J Prabhu, Mr. Santosh Sutar, and Mr. Vishnu. They also noticed several bird, butterfly, lizard, and spider species. They were also instructed on appropriate field attire and behavior to avoid disturbing the flora and fauna of the area by Dr. Chetan Nag K. S.

Followed by lunch the afternoon session was handled by Mr. Santosh Sutar, the CEO of VANALOK, and Mr. Vishnu, a naturalist. They took control of the activity session and encouraged the children to take part in games and activities that helped them learn more about environmental issues and solutions. The event concluded with a discussion with Swami Vishnumayananda Ji, Secretary, Ramakrishna Mission, Shivanahali, the awarding of prizes to the young participants who excelled in the activities, and a group photo at 04:30 pm.

The volunteers from CUBEC, JAIN (Deemed-to-be University), Ms. Sarmistha Ojha, Ms. Shraddha Kumari K, Mr. Suraj Nagtilak, Ms. Bramhi Chougule, Mr. Amith S J, and Ms. Shalini Tudu, were constantly on hand to assess the situation's demands. The entire event was covered by Mr. Ravi Shastry a media reporter from the newspaper Kannada Prabha.

**Sub: Conviction about the program.**

Respected Sir,

As the above mention subject, we would like to share our experience about the workshop, which was held in Bannerghatta on 09-06-2023. We 50 students along with 2 teachers attended the program. We were so thrilled that the program was held in nature and we loved the eco-friendly pens given by you. Your team members explained about insects, butterflies, plants, and the uses of that plants. It was so useful, thanks to them also. We learned many things about nature and played a lot of entertaining games, which were related to conserving forests. Especially we thank you for the food which has been arranged. It was very tasty, special thanks to JAIN Deemed-To-Be University for organizing this program. We are so excited to attend such types of programs and we wish you to organize many such programs further. Once again, we heartily thank you, Sir.

Thank you

With Regards: J.J Public school students.
